20 Something, 20 Everything: A Quarter-life Womanâ€™s Guide

20-Something 20-Everything was the first book of it's kind addressing the Odyssey Years we twenty-somethings find ourselves traversing. I had high hopes for this book and bought "The Twenty Something Manifesto" with it. As a weekly columnist for the Huffington Post, I expected Christine to deliver on her promise to clarify the quarter-life crisis and "provide insights to balance and direction ...

Twenty years later, the proliferation of multilateral environmental agreements points to an unprecedented achievement, but is worth examining for its accomplishments and shortcomings. This book provides a review of twenty years of multilateral environmental negotiations (1992-2012). The authors have participated in most of these negotiating processes and use their first-hand knowledge as ...
