a social history of pdf

Social history, often called the new social history, is a field of history that looks at the lived experience of the past. In its "golden age" it was a major growth field in the 1960s and 1970s among scholars, and still is well represented in history departments in Britain, Canada, France, Germany, and the United States.

Social history - Wikipedia

In medicine, a social history (abbreviated "SocHx") is a portion of the medical history (and thus the admission note) addressing familial, occupational, and recreational aspects of the patient's personal life that have the potential to be clinically significant.
