### **Situational Interview Questions and Answers - Career Search**

Like a behavioral interview, during situational interview candidates are asked specific questions about what may happen on a job. The candidate is asked to assess a situation and to provide solutions on how he or she would handle it.

### **Situational Interview Questions and Tips for Answering**

10 Great Situational Interview Questions to Identify the Best Job Candidate Shakespeare once wrote, "What's past is prologue," and situational interview questions are based on the same idea: the way job candidates behaved in the past is the single best predictor of the way they'll behave in the future.

### **10 Great Situational Interview Questions to Identify the**

Although situational interview questions are hard to prepare beforehand, some candidates may have previous experience with situational questions and use "canned" answers. If they are mostly focused on giving you the "right" answer, or the one that you'd expect, you can't really gauge their way of thinking.
