Number: 0016. Policy. Aetna considers any of the following injections or procedures medically necessary for the treatment of back pain; provided, however, that only 1 invasive modality or procedure will be considered medically necessary at a time.

Back Pain - Invasive Procedures - Medical Clinical Policy

Scoliosis is a medical condition in which a person's spine has a sideways curve. The curve is usually "S"- or "C"-shaped. In some, the degree of curve is stable, while in others, it increases over time. Mild scoliosis does not typically cause problems, while severe cases can interfere with breathing.
