crash course in pc pdf

Crash Course Electronics was designed for one thing -- to take you from mystery to mastery in Electronics and PCB Design. This massive course was custom made for those interested in learning electronics from the ground up that wish to leverage that knowledge to build actual printed circuit boards (PCBs).

Crash Course Electronics and PCB Design | Udemy

I haven't published new articles under the Fun with your PC category for a while, so it's time to revisit the fun side of PCs (not counting gaming of course).
