Hybrid cultivar development. [S S Banga; S K Banga;] -- Heterosis breeding based on male sterility has become established in many field crops and has been credited with high productivity. This book presents an update on the advent and promise of hybrids ...

Hybrid cultivar development (Book, 1998) [WorldCat.org]

Plant breeding involves the management of a cultivar development program that integrates the knowledge and priorities of a large number of disciplines so that lines with the potential to be superior cultivars can be identified from among thousands of progeny originating from the intermating of selected parents. Plant breeding programs have long term objectives. They must be organized with the ...

Book: Use of Plant Introductions in Cultivar Development

This is known as either hybrid vigor or heterosis. This discovery eventually led to the development of the hybrid corn industry and subsequently other crops. Whereas other cultivars breed true and their grain can be used as seed for another generation, this is not true of hybrid varieties. Cross-pollination is of course necessary among the plants (in e.g. a hybrid corn field) for grain to be ...

Hybridization, breeding and hybrid cultivars - Sustainable

Varietal difference in the effects of low temperature on tassel development in hybrid maize Taku Hayashi Hokkaido research organization Konsen agricultural experiment Station, nakashibetsu, Japan ABSTRACT In 2003, severe barrenness due to low temperatures in hybrid maize (*Zea mays* L.) cultivar occurred in the Konsen region, one of the coldest areas in Japan. Varietal difference in grain set ...

Varietal difference in the effects of low temperature on

hybrid Vehicles Technology Development and cost Reduction John German Summary This briefing paper is a technical summary for policy makers of the status of hybrid vehicle development in the United States. Both sales of hybrid vehicles and the number of hybrid models have risen steadily in the U.S. since their introduction, with that growth trend accelerating sharply starting in 2003. The forty ...

Buy Hybrid Cultivar Development 1998 by S. K. Banga (ISBN: 9783540635239) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

Hybrid Cultivar Development: Amazon.co.uk: S. K. Banga

The term cultivar most commonly refers to an assemblage of plants selected for desirable characters that are maintained during propagation. More generally, cultivar refers to the most basic classification category of cultivated plants in the International Code of Nomenclature for Cultivated Plants (ICNCP).

Cultivar - Wikipedia

Line development and testing within the heterotic pools. Source population. Open-pollinated cultivars, synthetic cultivars, single crosses, back-crosses, double crosses, related line crosses, and exotic germplasm can be used as source population. The requirements for source material in hybrid breeding are a high performance level and broad genetic variation for all agronomically important ...
