process control performance assessment pdf

The Takeoff and Landing Performance Assessment (TALPA) initiative reduces the risk of runway overruns by providing airport operators with a method to accurately and consistently determine runway conditions when a paved runway is not dry. Federally obligated airports and many other airports use TALPA

Successfully Managing the Selling and Servicing Compliance

I'm looking at a "classic" process maturity assessment done by a consulting firm for a client, and what a useless document it is. I'm not saying who sent it to me or why or where from. That isn't important here because so many assessments are similar. Compare yours. The report analyses 8 practices. It doesn't say why those eight.
