But there's also a remarkable and wide-ranging intelligence to Sublime Dreams of Living Machine--literature, film, philosophy, culture. Kang insists that you understand the context in which people of the past viewed automatons. He does so with great skill and clarity.

### **Sublime Dreams of Living Machines: The Automaton in the**

Kang's principal competition is that the automaton, a desktop which may circulate on its own (better identified at the present time because the robot), is likely one of the crucial rules with which individuals within the West have reflected the very nature of humanity itself.
